February 13, 2019

Dear Nevada Ryan White Summit Attendee:

On behalf of the State of Nevada, Office of HIV/AIDS (OHA), Ryan White Part A – Clark County and University of Nevada, Reno School of Medicine, AIDS Education and Training Center (UNR - AETC), we want to thank you for attending the **Nevada Ryan White Summit: Integrating Prevention and Care as We Work towards Getting to Zero in Nevada** on January 28 – 30, 2019 at South Point Hotel in Las Vegas, Nevada.

We hope that you found the summit informative and worthwhile. The primary goal of this summit was to promote workforce development, with a focus on service integration, training and networking among Ryan White A, B, C, D & F recipients, subrecipients and HIV prevention providers in Nevada.

We believe that our diverse and dynamic group of speakers and panelists provided in-depth insight, as well as actionable and practical tools of engagement models that can help providers continue to provide excellent services that address the HIV and opioid epidemics, integration of HIV prevention and care, and the beginning steps of a plan to help Nevada move toward Getting to Zero.

Your presence helped to make this summit a great success and your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the best and hope that you continue to be engaged in this important work.

Getting to Zero

UNR – AETC has taken the charge in coordination of a statewide meeting to discuss the Getting to Zero plan, and that information will be forthcoming.

Lastly, OHA has placed various presentations on the End HIV Nevada website, under the END HIV NEVADA PROGRAM tab. We invite you to visit <http://www.EndHIVNevada.org> to view the presentations.

Sincerely,

Tory W. Johnson, MMgt.
HIV/AIDS Program Manager
