Meeting Agenda
Call-in: 1-669-900-6833 Meeting ID: 684 551 843

- I. Introductions
- II. Updates
 - a. December 1 WAD FTC Event- Marlo
 - b. Statewide needs assessment update - Victoria
 - Timeline – We are almost done with the development phase and will be entering into the implementation phase soon!
 - Data collection will start in January and will end on April 30, 2020
 - Modes of data collection will be three surveys and 18 focus groups.
 - We are currently recruiting agencies to host focus groups in Carson City, Clark County, Tonopah, Elko, Storey County, and Washoe County.
 - If your agency is interested in hosting a focus group, please contact us!!
 - All we need is a room for 90 minutes and help with participant recruitment, and we will do the rest. 😊
 - The three surveys will collect data on community members, HIV providers, and providers in training.
 - If your agency is interested in disseminating the surveys, please contact us!
 - We have incentives for focus group participants and clinics/agencies that help with the survey dissemination.
 - Thank you for your help with this. We can't do it without you!
 - c. Working with Paula Frew, Ph.D., UNLV School of Public Health, for messaging component of focus groups and plan
- III. Other announcements?
