

Nevada Ending the Epidemic Workgroup  
Monday, October 5th, 2020 12-1 pm  
Meeting Notes

27 members present

Updates and announcements:

- RW Part A- They are hiring three project coordinators to help support the EHE plan and the UCSF SPNS Rapid stART project for Clark County.
- RW Part B- No update
- SNHD/Fast Track Cities- No update
- State Prevention Programs- SNHD redesigned their website with the help of Paul Frew and her team at UNLV.
- UNLV EHE Team-They have been working hard with SNHD and will be focusing on the EHE marketing material soon.
- Washoe County Health District- They have been working to reopen their testing clinics this month.

EHE Project Updates:

- Victoria updated on Nevada's EHE Plan: The EHE team will have a full draft of the Nevada EHE Plan within the next few weeks. It will be shared with the primary stakeholder first to give time for feedback and recommendation to the plan. Then, it will be shared with the EHE Workgroup for review and feedback, and then presented at the December EHE Workgroup meeting.
- Dr. Elizabeth Christiansen: Presentation of Nevada's Needs Assessment findings (see attached PDF)
- Nevada Modernization Coalition will be presenting at the EHE Workgroup November meeting.

No other announcements
