

## **Nevada's Ending the Epidemic Workgroup Meeting Notes**

### **Monday, March 7th, 2022, 12–1 PM PT**

#### Monthly updates:

- RW Part A
- RW Part B: They working on subgrants for the next grant year for Part A, B and ADAPT. COVID funding will be issued for the full year.
- SNHD/Fast Track Cities: The Empower Change training is coming up at the end of the month. The joint northern and southern Nevada HPPG meeting was last week. The meeting included presentations for the next Rethink HIV Nevada marketing plan, Integrated HIV Prevention and Care Plan, and fentanyl test strips.
- WCHD: Governor's Modernization Task Force has multiple positions open. They would love representations of people who are living with HIV to join.
- CCHHS: No updates
- State prevention programs: On April 5th and 6th, they will have a PrEP Institute training, which is a two-day virtual training for healthcare providers.
- PACE: They are working on a viral suppression campaign targeting hard-to-reach populations. They are rolling it out in Arizona and Nevada and looking for nontraditional partners, like food pantries, to push out the marketing campaign. If you are interested, please get in touch with them or Victoria. They are also partnering with the regional office to have a PEP symposium targeting women and girls, particularly black women and women of color.
- Southern Nevada Health Consortium: Thursday is National Women and Girls HIV Awareness Day; they are supporting the Center's event on social media to help attendance. In June, there is HIV testing day, and they are partnering with multiple partners to stress the importance of HIV testing. The next SNHC meeting is on the 25th of this month at Henderson Equality Center.
- Henderson Equality Center is putting on Pride Festival on June 10th, 2022. The event is outside in the new plaza area. Everyone is welcome to attend.
