

Nevada's Ending the Epidemic Workgroup Meeting Notes Monday, July 11th, 2022, 12–1 PM PT

Updates:

RW Part A: They are doing their first in-person learning collaborative for session 6 on 7/14 at Palace Station. They are preparing to recording their 2- 2022 Ryan White Conference Abstract Presentations, one for the learning collaborative and one for their Rapid stART initiatives. They are finishing up their TA sessions to address HIV stigma within the organization. They have also started working with QM and other departments within SNHD to created learning modules and a learning environment to address HIV stigma and to teach HIV basics in the organization.

RW Part B: Not Present

SNHD/Fast Track Cities: There is an upcoming AIDS prevention planning group meeting on 7/15 from 1-3pm on WebEx. It will be a joint meeting between Northern and Southern Nevada. There will be a presenter from UC San Diego presenting on molecular surveillance, a request to vote on a logo for prenatal HIV care and discuss of the integrated plan. There will be an Empowered change training in August and currently there is a waitlist.

WCHD: Not Present

CCHHS: No updates

State prevention programs: They are finishing up updating the fast facts report to be accessed and available. There will be a public workshop on SB211 on 7/18 from 10-11am.

PACE: HHS launched Viral Suppression campaign titled I am a work of ART and PACE is working with their partners to expand materials to be available in Spanish by participating in virtual support groups both in LA and Puerto Rico this month. Currently materials are only available in English. PACHA (The Presidential Advisory Council on HIV/AIDS) is coming to Los Angeles, Sept 19th- 20th. One of the days, community members will have a chance to meet with HHS, HERSA and CDC Leadership. The Assistant Secretary of Health is also invited. This is a hybrid meeting lead by the community for the community. They are also working to meet face to face with EHE partners and visit Clark county in late summer/ early fall to see how they can offer their support. Also offering support for World AIDS day to the organizations anyway they can.

Prevention Access: They are having a women's event on 10/1 from 11:30-2:30pm at the Pearson Community Center. They are looking for vendors and swag for their giveaway bags if anyone is interested.

Southern Nevada Health Consortium: Next event will be the National Latinx AIDS Awareness Day on 10/15 at Killer Sound.

PAETC: There will be a Diversity and Inclusion Liaison meeting on 7/13 from 2-4pm. Anyone working with minority populations is invited to attend. The Autumn Update will be 11/19-11/20 in Lake Tahoe featuring Pacific ATC faculty and guest speakers.

Presentation:

At this meeting, Chris Reynolds, founder and executive director of the Southern Nevada Health Consortium presented on the Southern Nevada Health Consortium. SNHC mission statement is through education, awareness, reduction of stigma, and collaboration, we are improving the health of people living in Southern Nevada.
