

Nevada's Ending the Epidemic Workgroup Meeting Notes

Monday, May 1st, 2023, 12–1 PM PT

Updates:

RW Part A: Their U=U, Love Live campaign running until December.
<https://www.uequalsulas.com/>

RW Part B: Part: They hired a new Part B coordinator, Ashley Martin, who started today. They also have a new epidemiologist, Fredricka Marin, in the State Preventions program.

They had 2 site visits in the last month, CDC and HRSA, and only a few findings and they are working through the recommendations.

SNHD/Fast Track Cities: EHE rethink safe sex campaign is being implemented on May 8th. The Rethink HIV campaign is still ongoing, in both English and Spanish.

They are continuing to work on the pre-natal HIV project and materials and in the internal review process.

The next Empower Change training is scheduled for July 19th and 20th. They are looking into adding another training in May or June.

Completed first HIV stigma training at SNHD with 40 people from the FQHCs.

WCHD: No updates

CCHHS: No updates

State prevention programs: They completed their CDC site visit in March and have a new epidemiologist on board, Fredricka Martin.

Southern Nevada Health Consortium: not present

PAETC: They have their STI update on May 11 in person at the Las Vegas Valley Water District.

UNLV Ryan White D: They received a grant to provide training for youth 16 yrs. old and up as youth community healthcare educators and mental health, community workers.

Internships and externships opportunities are available For more information: Melba.Borerro@unlv.edu and/or Cathleen.Daheiser@unlv.edu

The Center: They had the grand opening of their pharmacy last week.

II. Ending the HIV Epidemic Initiative Updates:

At this meeting, Michelle Sandoval-Rosario, Director, and Alberto Pina, Public Health Analyst from the Prevention Through Active Community Engagement (PACE) Region 9, updated the EHE workgroup on highlights and key takeaways from Nevada's Listening Session in April.

Next meetings:

- Monday, June 5, 2023, 12-1 PM PT via Zoom
