

Nevada's Ending the Epidemic Workgroup Meeting Notes

Monday, November 6, 2023, 12–1 PM PT

- RW Part A: They presented at the national ANAP conference in New Orleans on their Rapid StART program. A journal at the conference is interested in writing an article about the program. They will be presenting about their U=U, Love Live Campaign for the National Association of City and County Health Officials on November 9th and to NASTAD, The National Alliance of State and Territorial AIDS Directors on Rapid StART, and how it is funded.
- RW Part B: Not present
- SNHD/Fast Track Cities: Next Empower Change training is scheduled for 1.1.24 at SNHD. Additional training will be scheduled in March, May, July, and Sept. Staff presented on Pre-natal HIV for the University of Nevada Echo project.
- Northern Nevada Public Health: Present and no updates
- CCHHS: Not present
- State prevention programs: Leon is their new EHE CDC PHAP and will be joining future meetings.
- PACE: The next Presidential advisory committee on HIV and AIDS will be a virtual meeting on December 6th and there will be opportunities for public comment at the meeting. PACE is in the process of changing its name and gathering feedback from stakeholders before deciding.
- Southern Nevada Health Consortium: SNHC is partnering with Henderson Equality Center for a World's AIDS Day Gala at Caesar's Palace on December 1st.
- The Center: They will host a World AIDS Day event on 12.1.23 from 10-4.
- UMC Wellness: They completed 10,000 rapid HIV tests at their Quick Care facilities and have extended ER testing. Three nurses attended the ANAC conference. For World AIDS Day, December 1st, they will have a table at the UMC cafeteria and lunch and learn from 12-1 p.m. for providers.
- PAETC-NV: They are hosting their in-person annual Autumn Update, Nov.18-19. They are hosting a virtual STI Update on Dec. 9 from 8:00 a.m.-12:20 p.m.

I Ending the HIV Epidemic Initiative Updates:

At this meeting, Veronica Arana and Kiande Jakada from the Center updated the group on the projects they are working on toward ending the HIV epidemic in Clark County.

Next meetings:

- Monday, December 4, 2023, 12-1 PM PT via Zoom
- Monday, January 8, 2023, 12-1 PM PT via Zoom
