Inspired by World AIDS Day 35: Remember and Commit

- What are our goals for 2024?
- How can we best support the Ending the HIV Epidemic efforts in Nevada?
- What speakers or topics would you like to see covered in these meetings in 2024?
- Who should be at these meetings but is not? How can we invite and engage them?
- Is there anyone who would like to highlight their organization's efforts during one of the monthly meetings?
