Revised: June 11, 2024

This is to be used for the completion of the Annual Eligibility Application during a client's birth-month. It will also be used if the lapses in eligibility and needs to complete an Annual Eligibility Application. The day the agency receives a completed Annual Application is the day the service needs to be logged in CAREWare. This is to be used for the completion of the Six Month Recertification Eligibility Application during a client's half

hins is to be used for the completion of the 3x Mornin Recentification Englunity Application during a client's hair birth-month. The day the agency receives a completed Recertification Application is the day the service needs to be logged in CAREWare.

This is to be used for all subsequent follow-up contacts/interactions with a client or the client's record between their initial Annual Review service and the Recertification service. (i.e. client drops off remainder of documents, client is called to be reminded of appointment, client is called to be told of eligibility end date, client's record is reviewed/no actual contact is made but the record is touched).

To be used when assisting a client with a referral for enrolling clients in any in a health insurance plan (a private

To be used when assisting a client with a referral for enrolling clients in any in a health insurance plan (a pri individual plan, a Marketplace plan, an employer plan, or a COBRA plan) or public health insurance option (Medicare, Medicaid, VA, HIS, etc.)

(weducate, weducato, ve., rita, etc., To be used by staff when providing clients a referral related to ADAP services; i.e., obtaining ADAP-related documents, entering client data into Magellan PBM, APTC discussions, etc.,

To be used by staff when providing clients a referral related to HIP-CS services, receive a bill, invoices, paid letters or not paid letters, making attempts to get dx related documentation, contacting insurance providers, are
